

PUBLIC CLEANUP RECYCLING SEPARATION

The following items are universally recyclable in New Jersey. Check with your recycling program if additional materials are recyclable. All littered tires must be recycled, whereas scrap metal and wood are recommended. Check with your local DPW if they are acceptable or find alternative outlets on the MCMUA website.

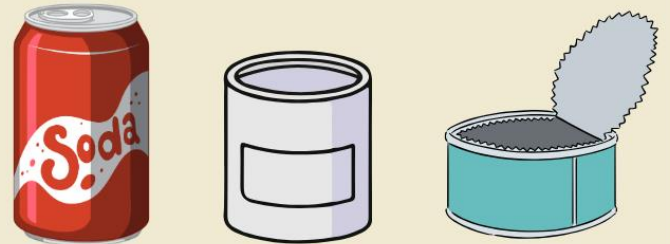

PAPER
 (MUST BE DRY)

CARDBOARD
 (MUST BE DRY)

PLASTIC
 (CODED #1 & #2)

CANS
 (STEEL & ALUMINUM)

GLASS
 (BOTTLES & JARS)

TIRES, SCRAP WOOD*, METAL*
 (MUST BE RECYCLED AT SPECIAL OUTLETS, CANNOT GO IN BIN)

All items must be relatively clean and dry to be recycled (cardboard and paper must be fully dry). Containers should be clean and free of excessive dirt and debris. Use your best judgement during the cleanup and remember: when in doubt, throw it out!
