

Clean Communities

VS

Recycling

Clean Communities vs. Recycling Lightning Round!!!

In your teams, we will give you a list of Clean Communities vs Recycling expenses.

Your team have 5 minutes to determine if you should spend your Clean Communities or Recycling Grant on each expense. **This is what BEST fits each grant.**

Teams will then use their buzzer to guess the right answer. Teams will receive 1 point per CORRECT answer.

For participating, attendees will receive a prize!
