LITTER & RECYCLING

EYE-SPY BINGO

The purpose of this “Eye-Spy” Bingo is to become aware of the litter around you in a fun, interactive way!

To play, simply look for the items in the bingo card in the environment around you.

See if you can also spot a nearby recycling or garbage can to dispose of your trash before it becomes litter!

Did you know that the Morris County Clean Communities Program cleans up litter around the County?
